KASB Fastrack International Arrival facility, KASB Business Visa Counter for Business Visa on arrival, was inaugurated today at Jinnah International Airport Karachi.

Karachi, July 20, 2009:

The KASB Fast Track International Arrival Facility, at Jinnah International Airport Karachi, and the KASB Visa Counter for Visa on arrival for Businessmen, was inaugurated today by Chairman KASB Group, Nasir Ali Shah Bukhari and Deputy Director Civil Aviation, Air Vice Marshal Riaz-ul-Haq. At the official MOU signing ceremony, Nasir Ali Shah Bukhari, Chairman KASB Group said 'The two KASB lounges, Fastrack facilities and Business Visa Centre fit- in with KASB's vision of partnering success. Our ambition is to become the primary bank for all our customers, including business travelers. Being a businessman myself and a frequent traveler, I understand that in the modern day lifestyle time means money. Our emphasis is to facilitate the busy traveler with efficient and time saving facilities'

Business and First Class passengers, arriving at Jinnah International Airport Karachi, can use the KASB Fast Track Facility, for speedy immigration. The service works round the clock, facilitating passengers for a smooth and hassle-free accessibility on the go. The lounge has an open and modern feel, with representations of the City of Karachi as art pieces.

KASB Group has had a presence at Jinnah Airport Karachi, since 2006. Apart from the Domestic and International Waiting Lounges, where our customers can spend some time in comfortable surroundings, until their flight is called, KASB has now established the first of its kind Fast Track Facility at the Departure and the Arrival Gates, for First Class and Business class customers. Further, a Business Visa Counter has also been established where Businessmen arriving in Pakistan can avail Visa on Arrival facilities.

At KASB Group, customer convenience comes first and the launch of this facility has added yet another benchmark to its list of endless achievements.
